SOME STORIES ARE MEANT TO LAST

HOW WE MET

GOOD COFFEE. BETTER PEOPLE. BRIGHTER DAYS

A CHANCE AT A CAFÉ

It was a rainy Monday, a busy little café, and two strangers who ended up talking for hours. What started as a conversation about travel turned into a shared love of good food, big dreams and a belief that life is better together.

One more coffee became a walk home. A familiar face became our favorite person. We never expected an ordinary afternoon to change so much.
